You know Paul, you're the
only first obscene phone call I've
ever made to. and you found

Have a fantastic Summer.
Keep smiling

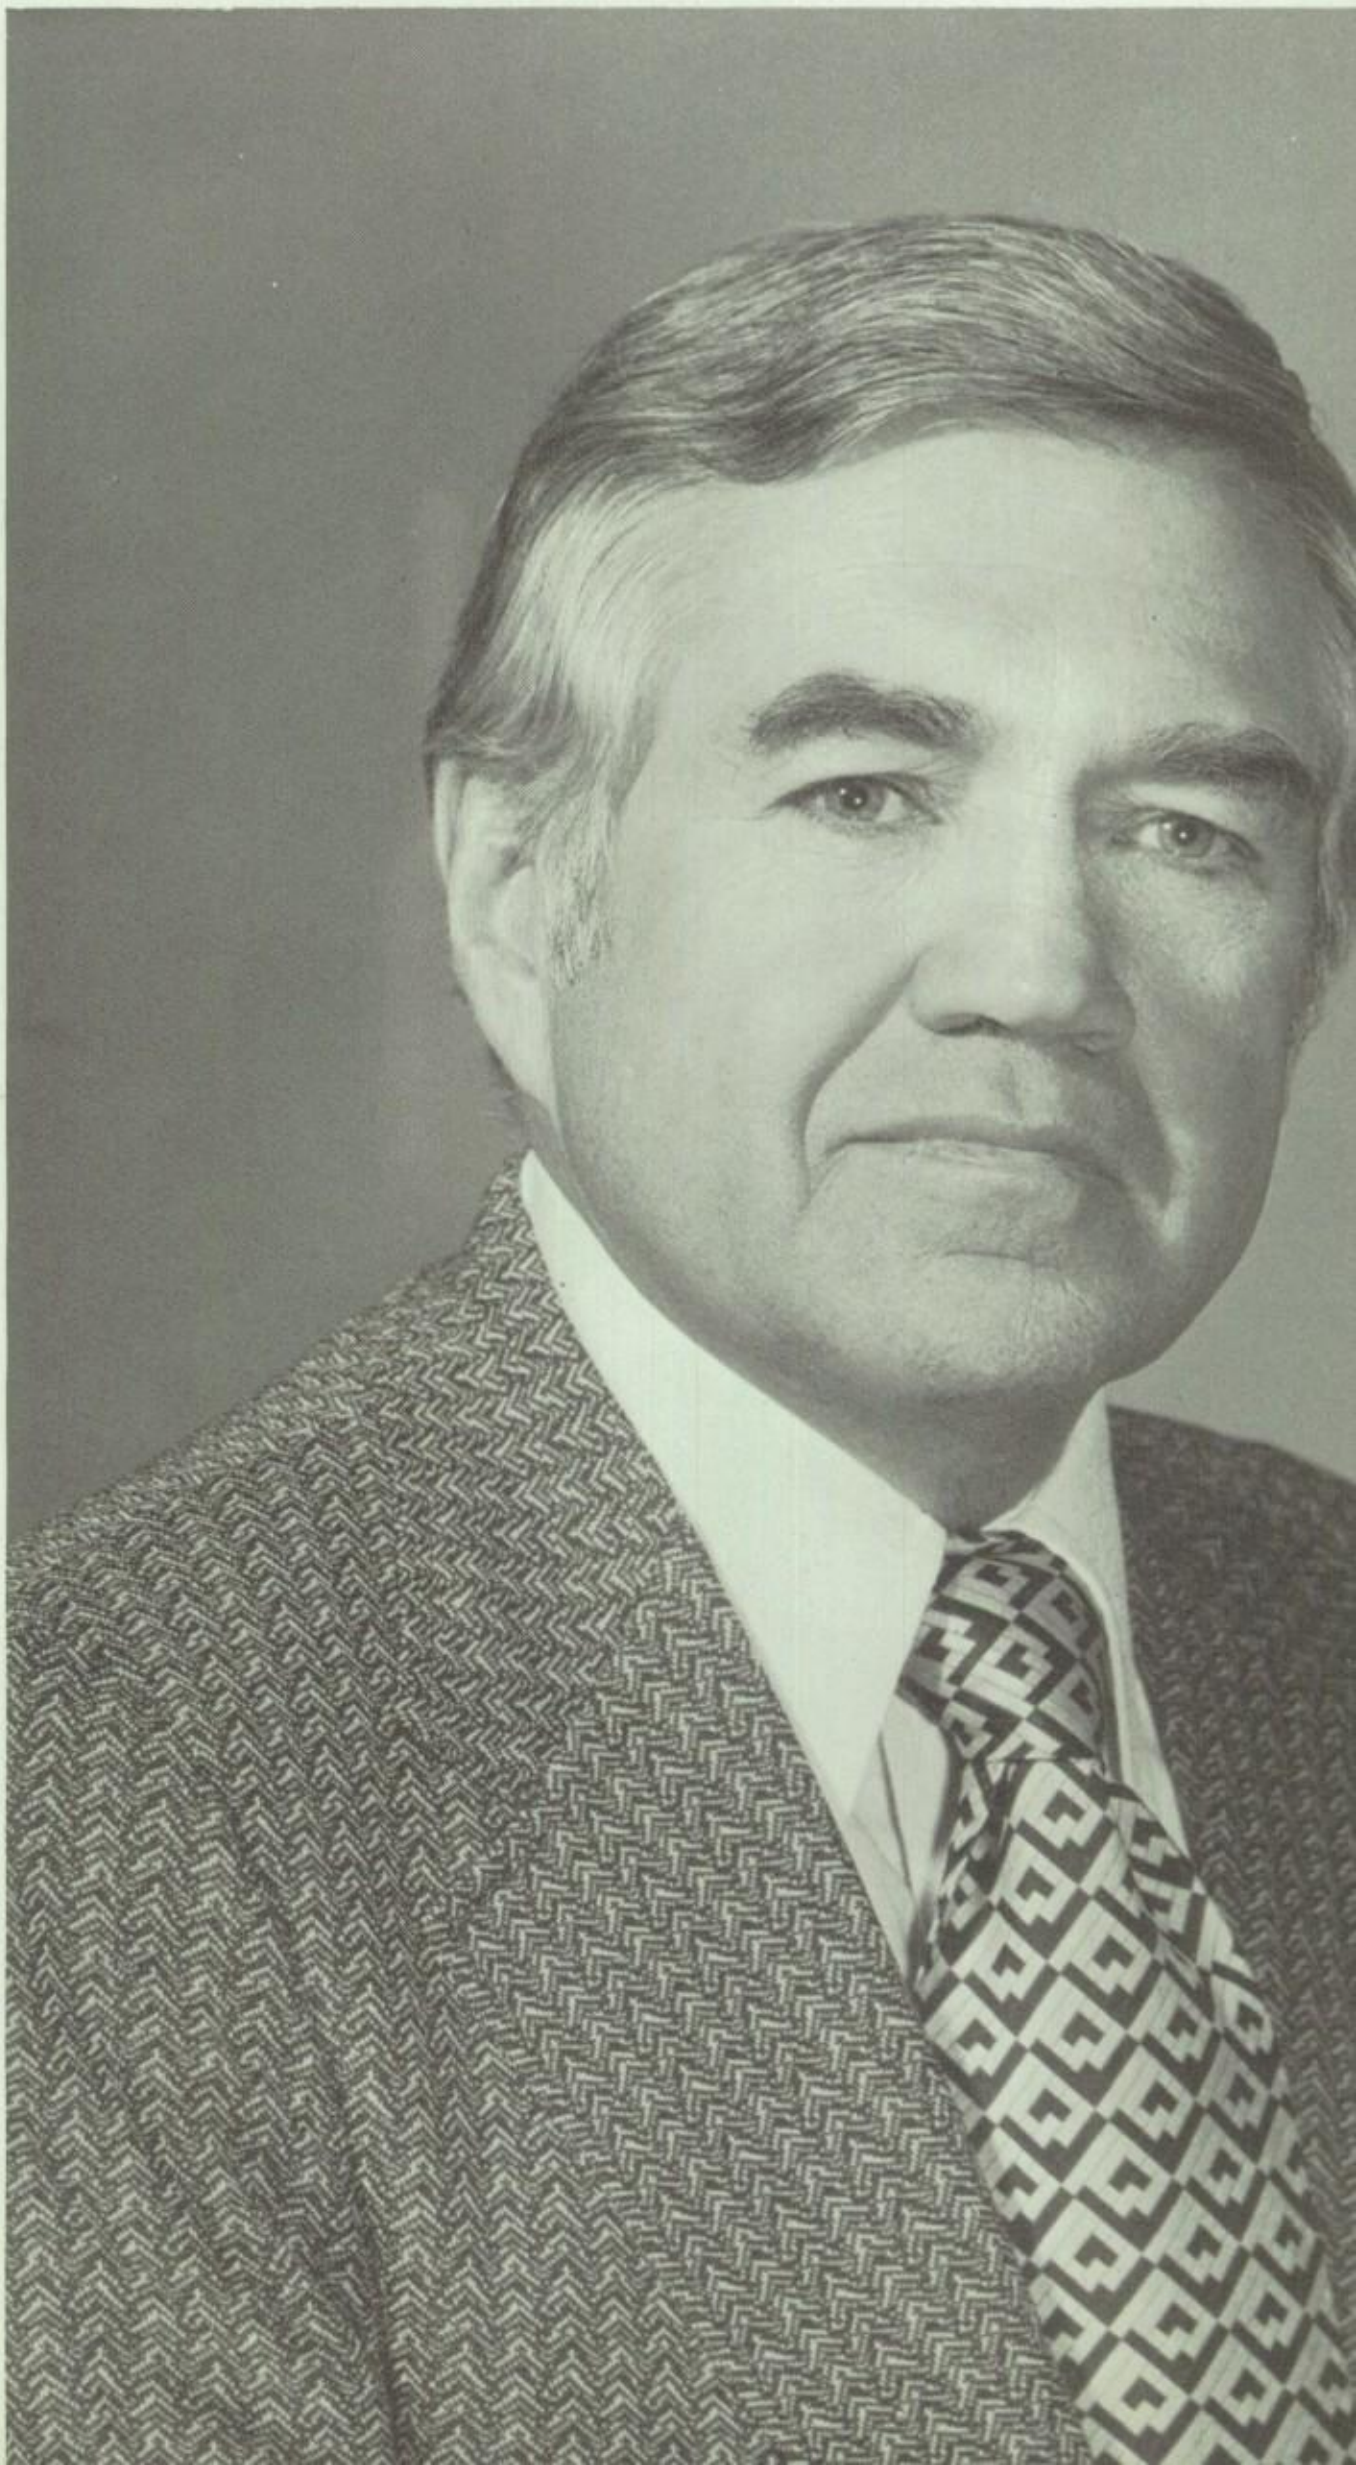
Principal Barber Respected by Students, Faculty, and Community

In just a few short years, Layton High School has risen from obscurity to a position of prominence among the top schools of Utah. Facing the challenges of change and progression, Layton has met these forces head on. Compromising where compromise was possible, but standing firm to the ideals and goals of education, Mr. Barber has led the way. Respected by students, faculty and community, he has been a key figure in the growth and development of Layton High School.

Vern Barber



As assistants to the principal, Mr. Manning and Mr. Smith have successfully fulfilled their roles as vice-principals. Most often behind the scenes and usually very quietly, these two men carry out their duties with efficiency and effectiveness. Our thanks to them for helping the wheels of education roll more smoothly.

Bente Lolleng

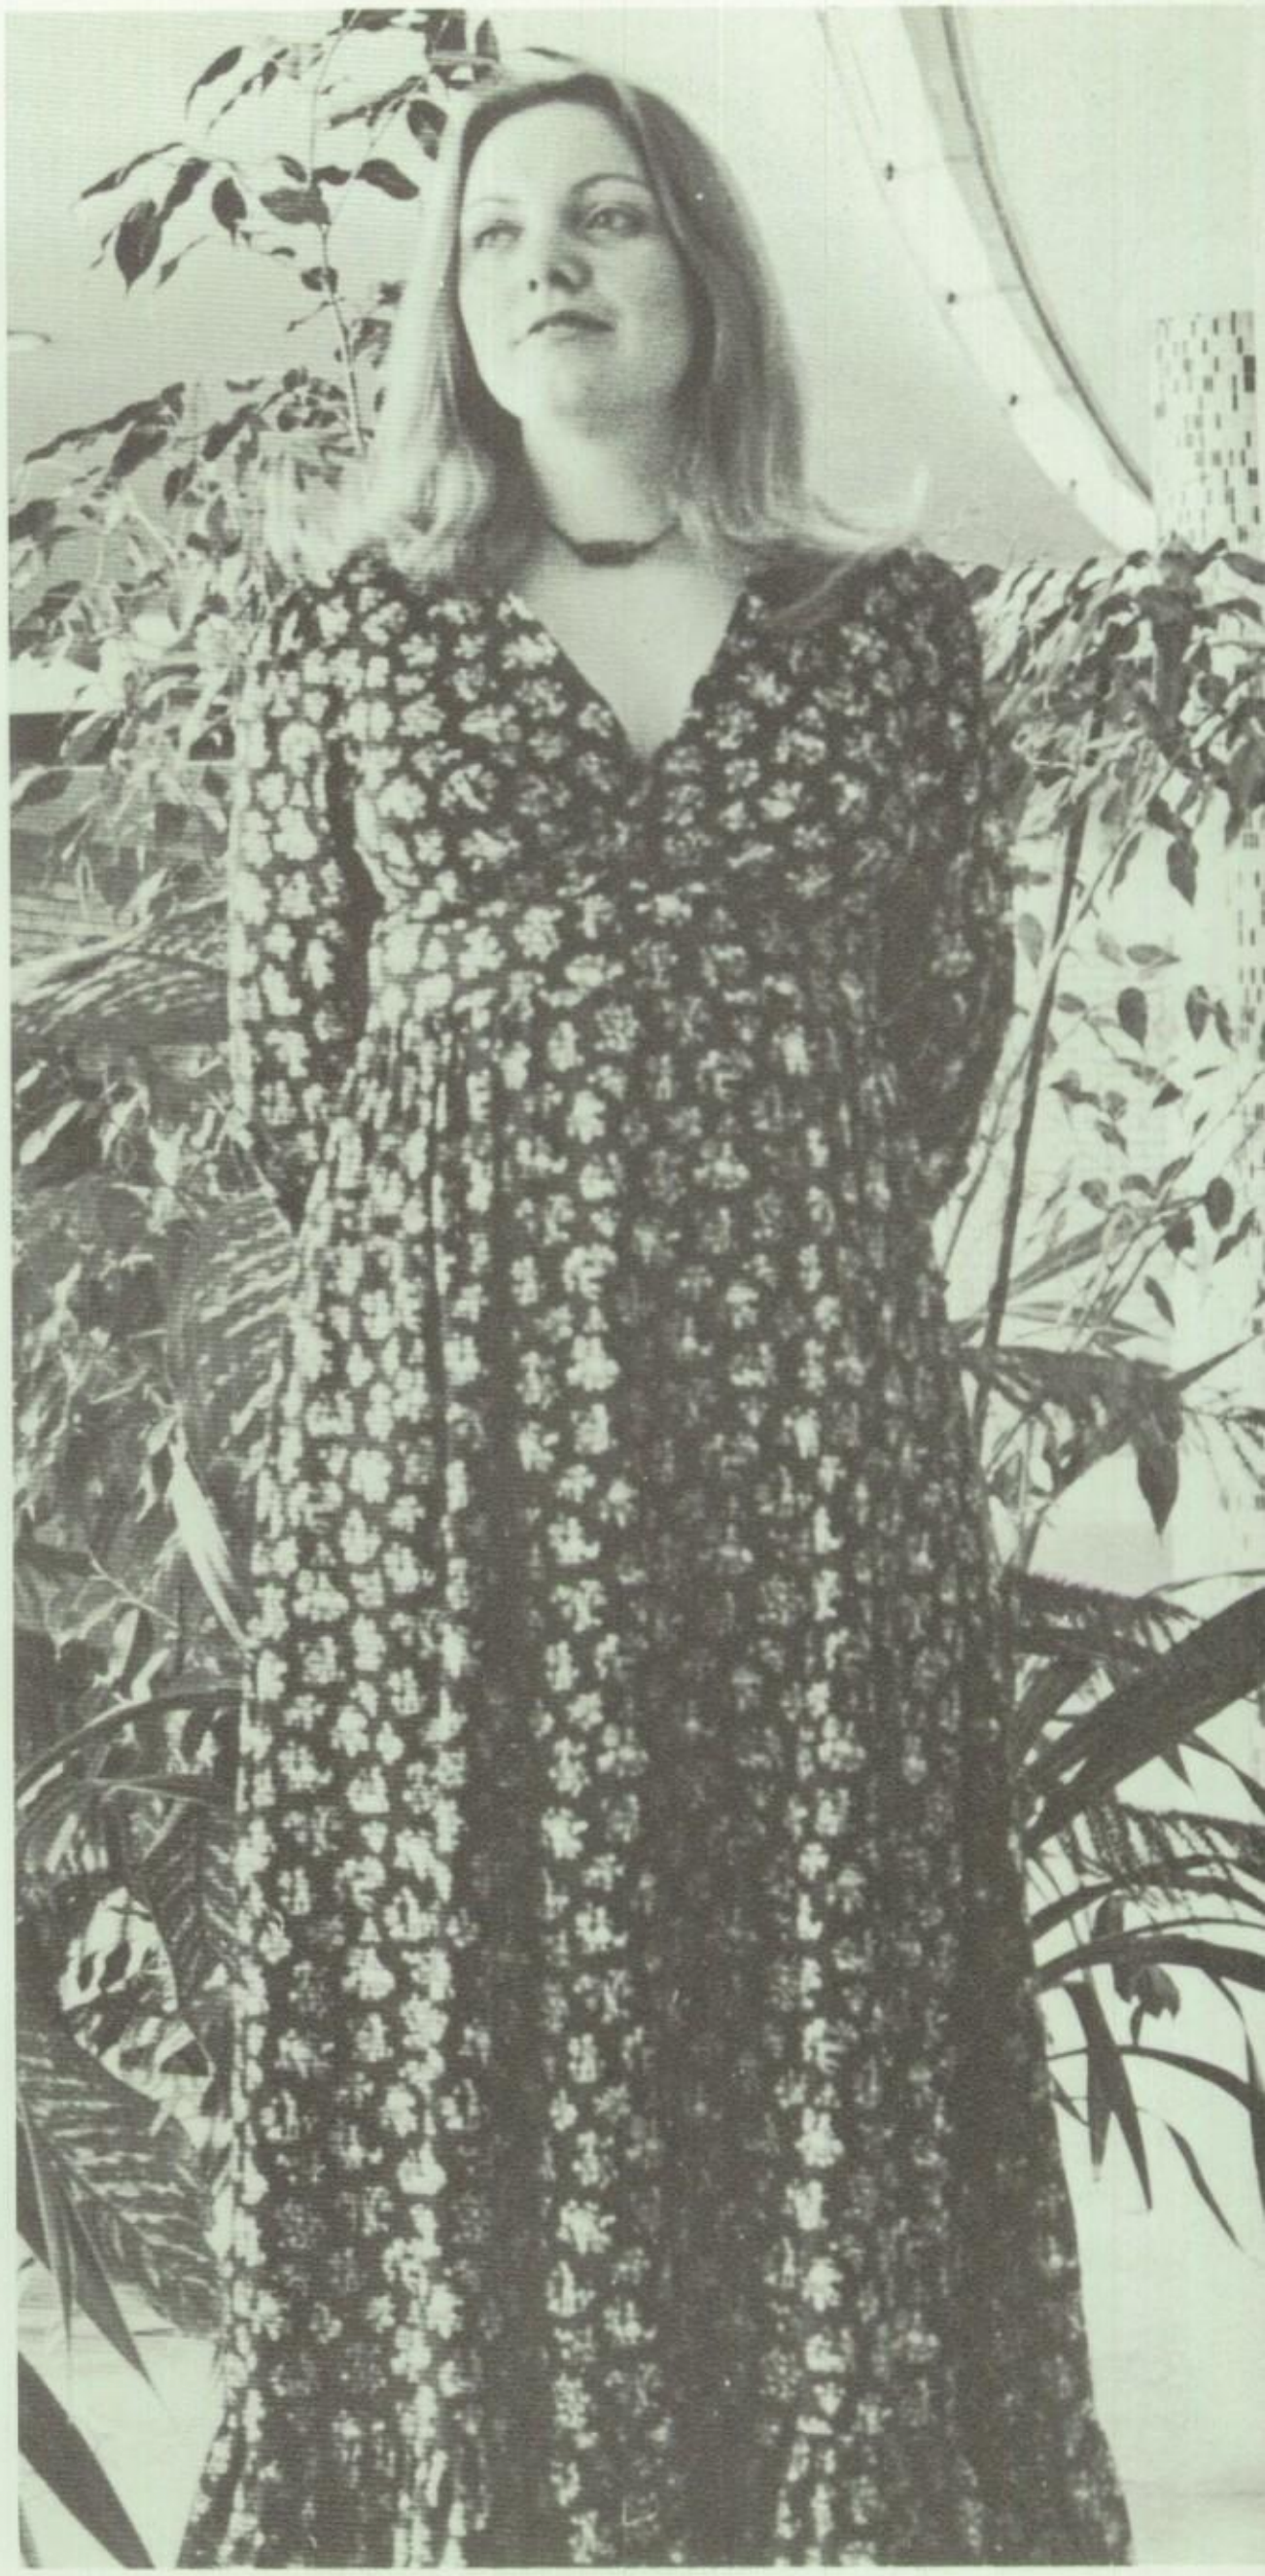
My year in America has been one of the most busy, and at the same time most enjoyable years in my life. To me it was a challenge to adapt to a completely different society and a new way of life. The year as AFS-student however, turned out to be an interesting experience I never will forget.

I had to face new situations, take responsibility, and take my own decisions without anybody telling me what to do.

I also learned that there is another America than the pollutioned, crowded, and busy cities we hear about in Norway. For instance, I never knew there was so much beautiful nature and unpopulated area left in the country.

What I will miss the most however, is the people I have got to know here. First of all my host family, but also thanks to my friends of Layton High, Mr. Barber, my teachers, and very patient counselor!

—Bente



Willie Tesch

Since my very first day at Layton High School, I always felt at home here. Though there were some difficulties, I didn't know where I was supposed to be and where not. Most of the time things were really great. I made friends and acquaintances and I really appreciate all these wonderful people. I want to thank everybody for their help and their friendship, and I promise you that I shall always remember my stay here in America and especially here at Layton High School.

Congrats

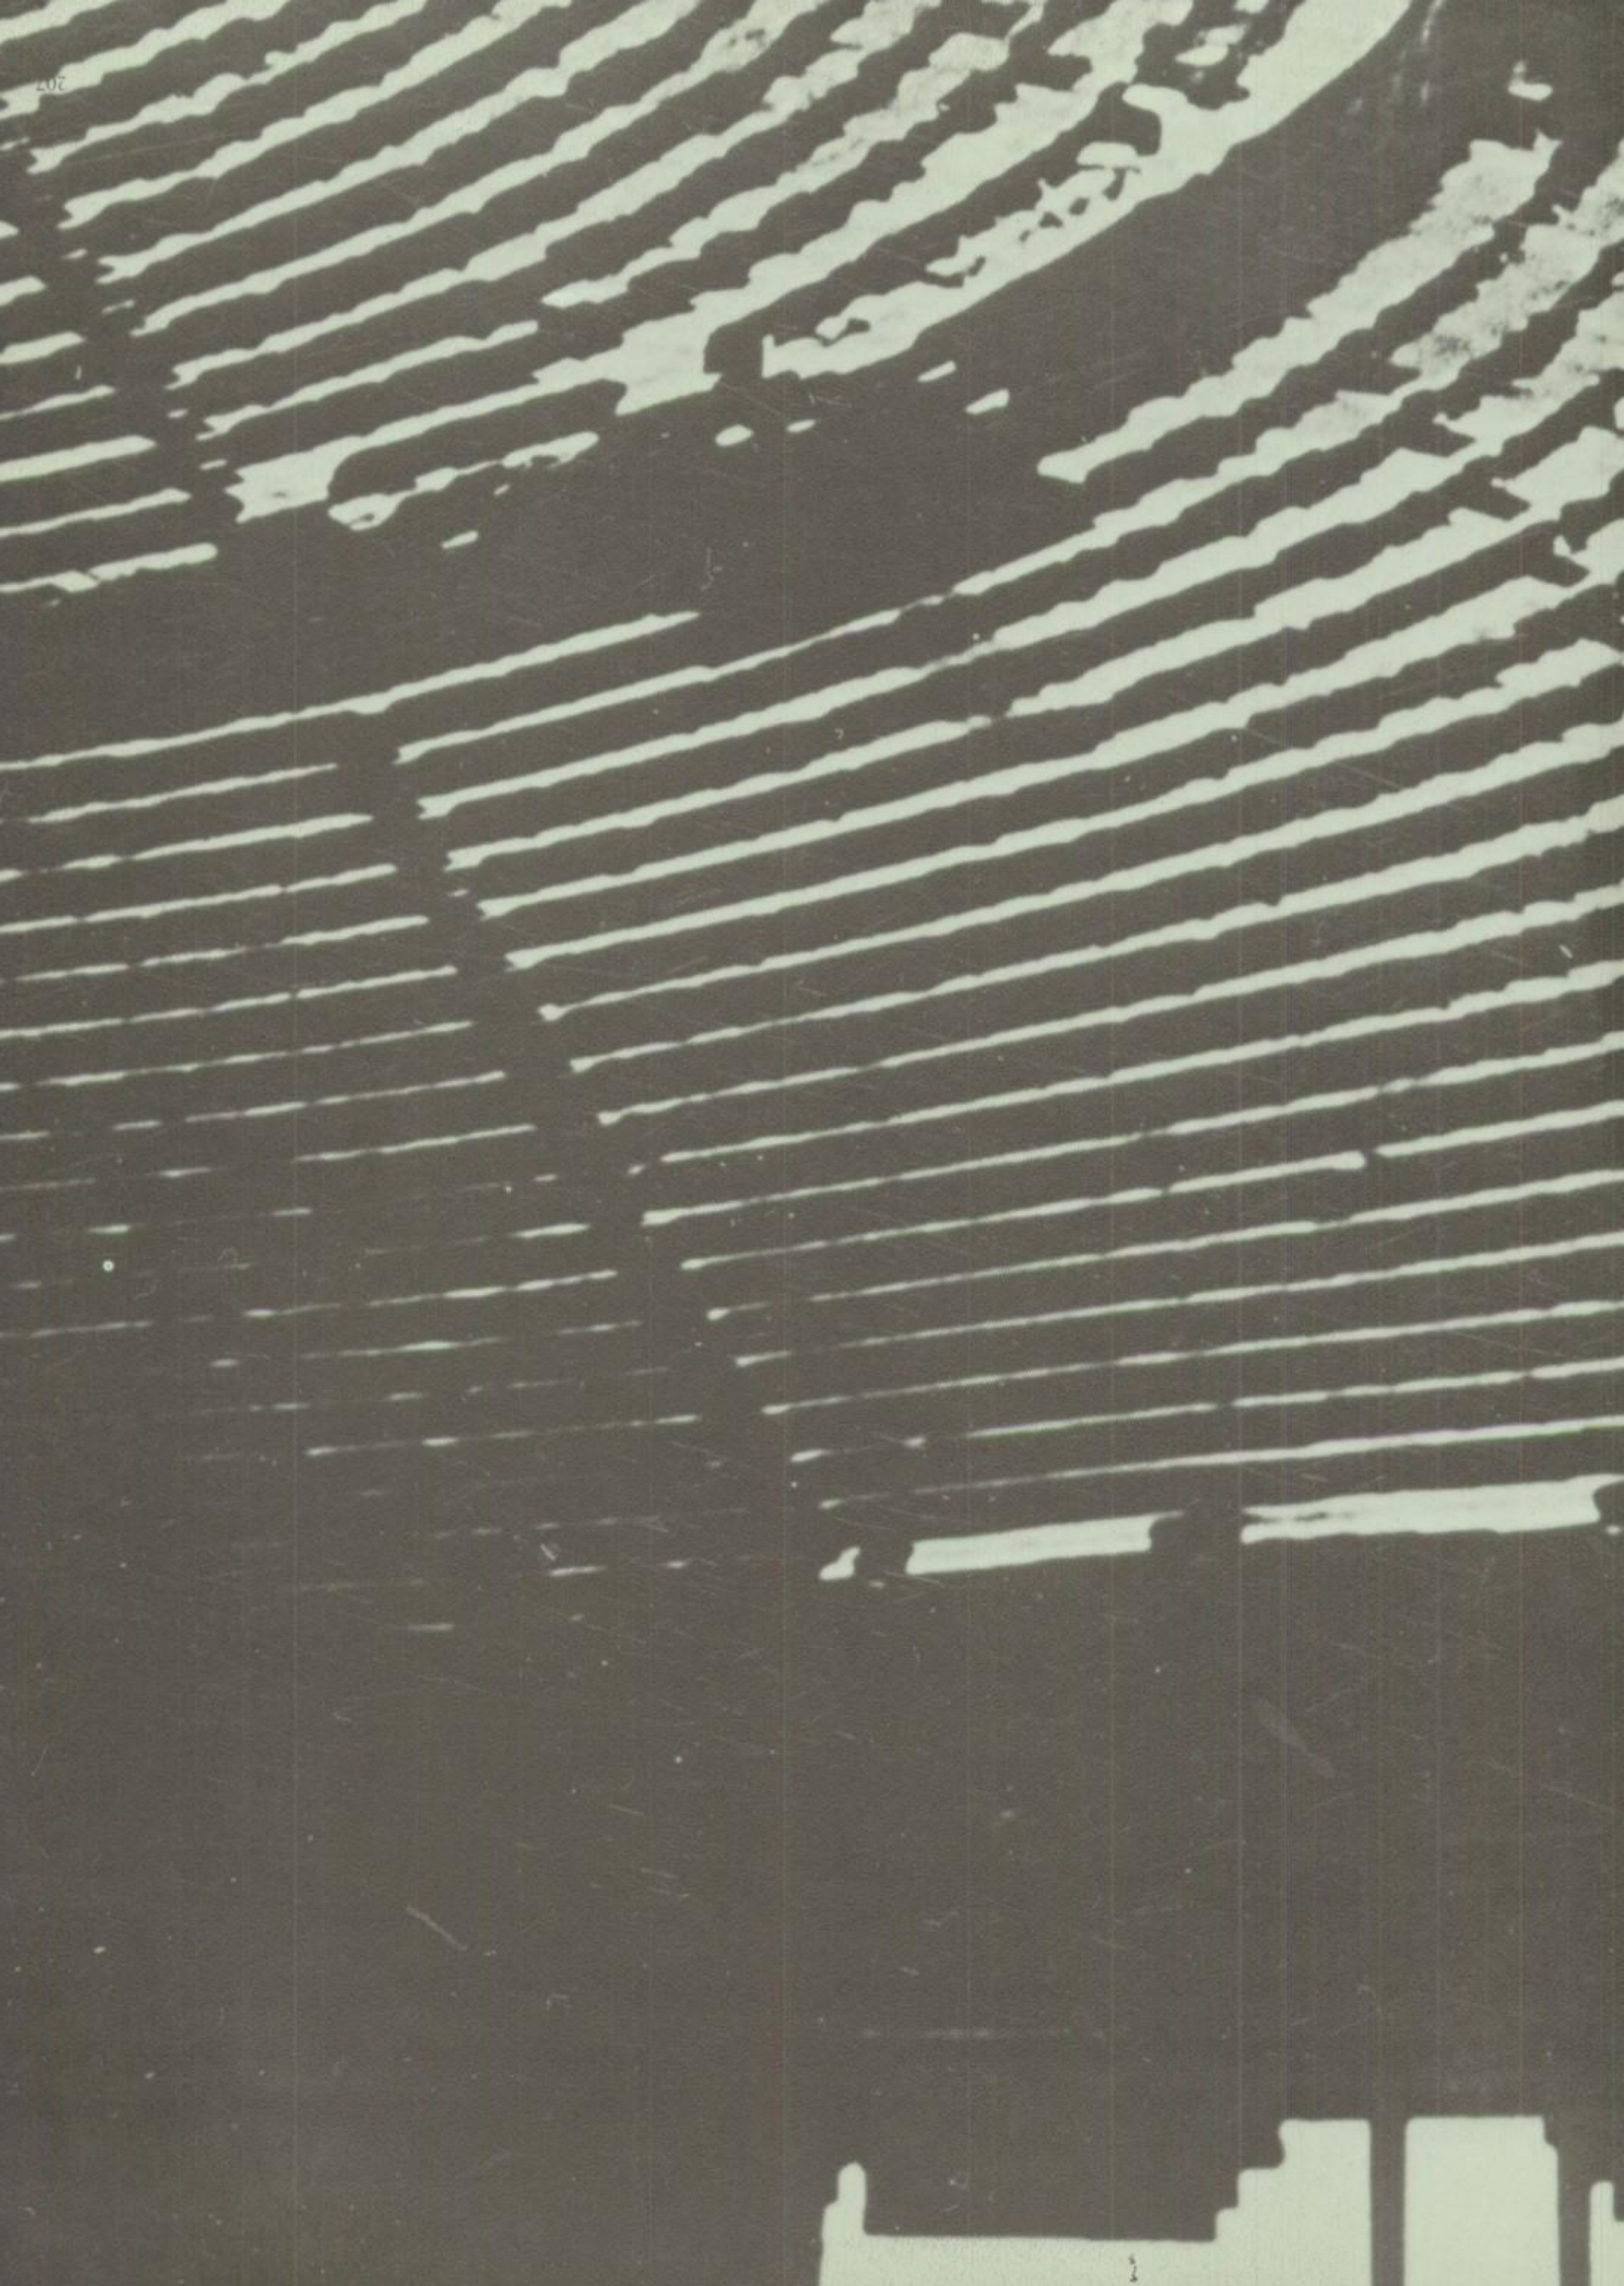
Spring Sports

Layton High
With pride we sing thy name.
Layton High
We hope this night will bring you fame.
In glory may your lances strike our foe
As on to victory we go.
Faithful Lancers
We'll sing thy praises loud and clear.
For thy courage and strength we'll raise a mighty cheer.
Victory is ours as the Lancers drive on through.
Hail to the Navy Blue and Blue.



In Memoriam

Patsy Mower

There are no graves here.
These mountains and plains are a cradle and a stepping-stone.
Whenever you pass by the field where you have laid your ancestors look well thereupon, and you shall see yourselves and your children dancing hand in hand.
Verily you often make merry without knowing.
